

Celebrating **70** Years

 **variety** the children's charity

improving young lives every day

In the UK there are more than one million disabled children and nearly four million children living in poverty. Variety, the Children's Charity exists to improve the lives of those children.

When statutory funding cannot adequately meet a child's needs, Variety steps in. We support children, young people and families directly as well as schools, hospices, community groups and youth organisations by providing:

Accessible transport in the form of our famous
SUNSHINE COACHES

Grants for
SPECIALIST EQUIPMENT
and
WHEELCHAIRS

Memorable experiences
known as
GREAT DAYS OUT
