###

Tuesday 19 June, from 18:30
Giant Robot, Crossrail Place, London

For the very first time, Revo, Accessible Retail (AR), the Property Managers Association (PMA) and Shop Agents Society (SAS) are celebrating summer in partnership, giving maximum opportunity for socialising across the many diverse groups of our expanding community. This is the industry's blockbuster summer networking event to be at!

Set inside Giant Robot, Street Feast's latest eating and drinking "rooftopia", we're connecting enthusiasts from across the breadth of retail property and placemaking for an evening out of this world.

AR, PMA and SAS members all benefit from special reduced Revo member rates – only £49 and just £35 for YAR members!

Plus, if you book 9 places, you'll receive a 10th place free. Make an event of it, and bring your clients for this unique night of eating, drinking and connecting!

To book now, email stacey@revocommunity.org or call +44 (0)20 7227 3463 or find out more at revocommunity.org/events.
